Dear Dr. Oliver:

I am writing on behalf of our client, VHC Edison LLC, to notify you of its intent to file a certificate of public need application for the establishment of an outpatient surgical hospital, containing four operating rooms, in Planning District 8, within Health Planning Region II. The four operating rooms are already in the existing inventory and will be transferred from another facility.

At your earliest convenience, please forward copies of the relevant application materials. If you have any questions, please do not hesitate to contact me.

Sincerely,
